

# Congratulations!

## Nachiket Dhamankar

You have been awarded **500** Recognition points  
from a colleague

# Peer to Peer

Thanks for your great contribution.  
Keep up the good work.

Nachiket, You stepped up to the occasion in a short notice to successfully setup AIM builds on Azure Devops. This will lay the foundation for the team to use directly use templates on Azure Devops for JUnits, Code coverage etc. This has also streamlined our builds as we don't have to go to Jenkins. Your expertise on Devops and ability try different options to make things happen really came in handy during
